PROJECTS

ONLINE Furniture Shop

📅 06/2023 - 12/2023

Developed a dynamic e-commerce website for furniture sales using HTML, CSS, Bootstrap, JavaScript, Node.js, Express, and MySQL, featuring an intuitive user interface and robust functionality. Designed responsive front-end layouts for optimal viewing across devices. Implemented interactive features and form validation with JavaScript to enhance user experience. Leveraged Node.js and Express to create RESTful APIs for managing product listings, user accounts, and cart functionality. Integrated MySQL for efficient data storage and retrieval.

Additionally, developed an admin panel with role-based access control for inventory management, order processing, and user management. Integrated a secure payment gateway for seamless online transactions.

SUMMARY

To work for an organization which provides me an opportunity to improve my skills and knowledge to grow, while fulfilling organization objectives.

CERTIFICATION
